

## **VOICE FESTIVAL UK: COMMUNITY PROGRAMME MANAGER**

### **About the Festival**

Founded in 2008, The Voice Festival UK is a registered charity which exists to encourage the development of a cappella singing in the UK. This is achieved in a range of ways - through raising awareness of the art form and recruiting new singers and audiences, by supporting a cappella singers and providing opportunities for them to learn and develop their skills, and by building a cappella communities throughout the UK. We place excellence and accessibility at the heart of all we do.

### **About the Community Programme**

From 2008-14 the Voice Festival UK Community Programme has provided a wide range of opportunities for Community singers and a cappella supporters, such as:

- Regional workshops and master-classes
- A nationwide competition
- Performing opportunities such as showcase concerts at the Edinburgh Fringe, Kings Place and the Southbank Centre, as well as slots supporting top professional groups, such as The Magnets, The Swingle Singers and The Real Group
- Advice, contacts, financial support, networks and resources for those looking to start or develop a group
- Recording sessions and opportunities to be featured on a compilation album
- Event management training and support for group managers and aspiring workshop leaders
- Nurturing the development of local networks, such as a cappella societies and mentoring programmes
